Jennifer's *Remarkable Story*

THE Skincare Line That Hollywood Insiders *Want to Keep Secret*

Celebrities often credit their flawless, glowing skin to drinking lots of water or avoiding the sun. Well, after years of wearing SPF and increasing our daily water intake, we have yet to gain a similar radiant glow. What's the real deal? Entrepreneur, model, mom and soon-to-be-star of her own docuseries on Paramount+, *The Family Stallone*, Jennifer Stallone seems to know. And the shocker, it's more affordable than you think.

It's undeniable that Jennifer looks incredible and has seemed to defy the laws of ageing, but her story is even more remarkable.

Skin Problems Almost Ruined Jennifer's Career

Jennifer's modeling career was taking off but the stresses of modeling – the makeup, travel, lighting – were causing havoc on her skin. She tried everything—topical solutions, dermatological experts—nothing worked. Then she learned of this little salon in Santa Cruz that was gaining a small fanbase for its "regimen" of treatment products that not only cleared acne but healed the skin and prevented future breakout. Of course, she didn't hesitate to give these products a try. Within days, Jennifer's skin was clear.

Some Things Shouldn't Be Kept a Secret

Feeling beautiful and powerful, Jennifer – at only age 25 – knew this was too good to keep to herself. She joined forces with the products' formulator and together they launched Serious Skincare. Thirty years later this brand has a cult following that spans all ages and types. Some seek out the brand for its' miracle-working acne skin regimen, while others for its' serums and creams that do wonders on wrinkles, sagging skin, and hyperpigmentation, but probably both love the brand's positive pro-aging approach. Jennifer has said Serious Skincare has something "for whatever skin you're in." Looking at all the brand's loyal followers, it seems as if she's right.

A DAY IN MY LIFE

Nev Schulman shares his daily routine with *Us*!

TUNE IN!
Catfish: The TV Show airs Tuesdays at 8 P.M. on MTV.

6:00 A.M.

BERRY FUNNY Schulman's day kicks off bright and early "with a kid crawling into bed or prepping breakfast for the fam," the dad of three — who shares Cleo, 6, Beau, 4, and 17-month-old Cy with wife **Laura Perlongo** — tells *Us*.

9:00 A.M.

ON THE MOVE Once the kiddos are at school, he hits the track. "Running is really important for me," Schulman, 38, explains. "As an Under Armour athlete, I always have races I'm training for."

11:00 A.M.

SUCKING UP Back at home, the TV personality works on his motorcycle. Then, "while the baby naps, I get time for my favorite activity: vacuuming!"

2:00 P.M.

PICTURE-PERFECT Next, Schulman sneaks in a day date with Perlongo, who'll serve as a guest host on *Catfish* this season: "Spending some quality time with my wife at the Outsider Art Fair."

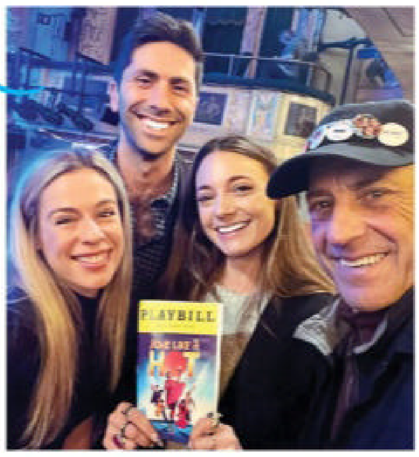
James Barron Art

5:00 P.M.

RAISING THE BAR The *In Real Life* author says he and his "better half" divide and conquer when it comes to parenting duties: "Laura picks up Cleo from chess and I scoop up Beau from gymnastics," he shares.

7:00 P.M.

SHOW & TELL After dinner, the couple enjoy a night on the town: "Meeting my dad on Broadway to see *Some Like It Hot*."



10:00 P.M.

UNDER COVER A sleepy Schulman gets ready for bed: "I lovingly gaze at my beautiful wife as she slips off into her beauty rest," he says. "I'm the luckiest guy in the world."

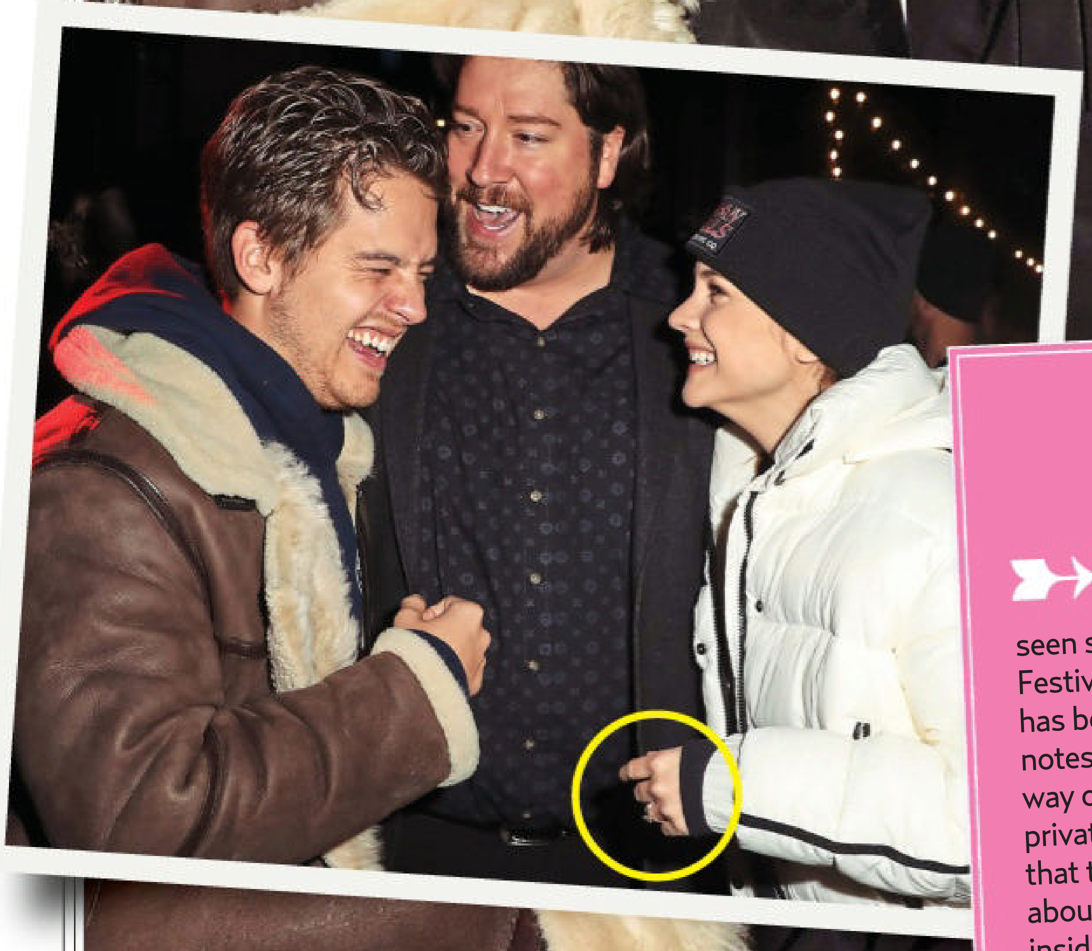
Love Lives

"They've been keen for a while to take it to the next level," a second source tells *Us*.



DYLAN & BARBARA

Secret Proposal?

Dylan Sprouse and **Barbara Palvin** recently sparked engagement rumors after the model was seen sporting a rock on *that* finger at the Mammoth Film Festival (inset). While one source tells *Us* that Palvin, 29, has been referring to the actor, 30, as her fiancé, an insider notes that it's unlikely the pair will confirm the news one way or another. "They keep details of their personal life private," explains the insider. However, there's no doubt that the couple is in it for the long haul. "They've talked about getting married and having kids soon," adds the insider, "and they're both on the same page."

By **Isley Zegas** / With reporting by Travis Cronin & James Robertson

PAULETTA & DENZEL

Major Milestone

This June, **Pauletta** and **Denzel Washington** will celebrate their 40th wedding anniversary. According to an insider, the Oscar winner, 68, has already got several surprises up his sleeve. "It's a big deal for both of them," the insider tells *Us*, adding that Denzel credits his incredible success and legacy to Pauletta, 72. "They always put family first and never take each other for granted. They're so proud to have made it this far."

SARAH & HOLLAND

Perfectly Content

After dating for more than seven years, **Sarah Paulson** and **Holland Taylor** "know they'll be together for the rest of their lives," a source tells *Us*. But that doesn't mean they want to make it official. "They're in no rush to get engaged or married," says the source, explaining that neither Paulson, 48, nor Taylor, 80, wants to deal with the stress of planning a ceremony. "Sarah and Holland have a great life together. A wedding just isn't something that interests them."

Business & Pleasure

Emily Blunt, 40, and hubby **John Krasinski**, 43, are itching to work together again: "They create magic when they do," an insider tells *Us* of the duo, who last teamed up for 2021's *A Quiet Place Part II*. "That experience brought a sense of mutual respect because it showed them a new creative side of each other."

BRAD PITT

Playing for Keeps

The future is bright for the Oscar winner and his leading lady

Life has been sweeter for **Brad Pitt** since he began dating **Ines de Ramon** last fall. "They've grown closer over the past few months," a source tells *Us* of the actor, 59, and the L.A.-based jewelry designer, who were first spotted together at a concert in November. "Brad enjoys being with her because she [has] such uplifting energy. Ines consistently looks on the bright side of things and is always up for an adventure," the source continues, noting that the pair spend as much time together as possible. "He also appreciates that she's super laid-back and has such a positive outlook on life. He absolutely sees long-term potential in their relationship." While an insider notes that Pitt and de Ramon (who split from *The Vampire Diaries* alum hubby **Paul Wesley** in early 2022) have been forced to spend quite a bit of time apart lately, that hasn't stopped things from continuing to get more serious between them. "Brad's been filming *Wolves* alongside **George Clooney** in NYC, and they do miss each other," explains the insider. "But Ines is slated to visit him soon — and the distance has [only] made the heart grow fonder. Everything is going really well."

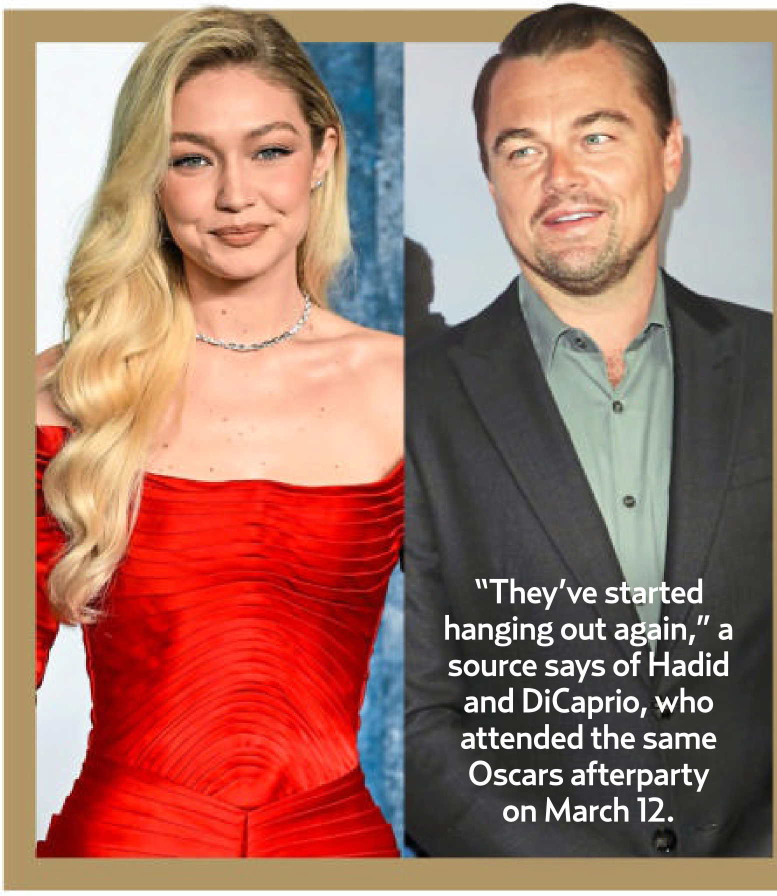
"Brad adores Ines," says an insider. "He likes that she's low-key and not into the Hollywood scene."

JEN ANISTON

Wild About Harry

A silver lining! **Harry Styles** was mortified when his pants recently split open on stage in front of his childhood crush, **Jennifer Aniston**. But it turns out that the two have been exchanging flirty texts ever since the January concert. “The messages certainly have some friends thinking that a romance might be brewing,” a source tells *Us*, adding that although “nothing serious is going on” at the moment, Aniston, 54, thinks the “Watermelon Sugar” singer, 29, is “adorable” and “very cute.” The actress “[isn’t] dating anyone right now,” notes the source. “Her pals have tried to set her up with entrepreneurs, actors and other Hollywood types, but none have blossomed into something serious thus far.” But that doesn’t mean she’s given up on finding Mr. Right. Adds the source: “It’s hard for someone so famous to date… but she’s still open to the idea.”

A source recently told *Us* that Aniston is “very impressed” by Styles.



“They’ve started hanging out again,” a source says of Hadid and DiCaprio, who attended the same Oscars afterparty on March 12.

Take Two!

» Just weeks after reuniting in Italy, exes **Leonardo DiCaprio** and **Gigi Hadid** were seen together again at Darren Dzienciol and Richie Akiva’s Annual Pre-Oscar Party on March 10. “They were whispering and cuddling all night,” an insider tells *Us*, noting that the actor, 48, and the model, 27, stayed at the bash until around 3 A.M. and “definitely” looked like a couple. “They never left each other’s side,” adds an eyewitness. “Leo only had eyes for Gigi.” While the two are definitely “still into each other,” a source notes that Hadid is being cautious: “She isn’t looking for a quick fling; she wants substance. And while everyone hopes Leo will eventually settle down, no one knows if this will go the distance.”

KEEPING UP WITH *US*

- His final rose: *Bachelorette* alum **Ivan Hall** (above) proposed to girlfriend **Tailour Roberson** on March 11 in downtown Dallas. “She said yes immediately and we both had tears in our eyes!” Hall tells *Us* exclusively.
- She’s back! **Sammi “Sweetheart” Giancola** will appear on the upcoming season of *Jersey Shore: Family Vacation* after a more than 10-year hiatus, *Us* confirms.
- *Mad Men* alum **Christina Hendricks** is set to wed camera operator **George Bianchini**. “We proposed to each other and we said yes!” the actress gushed on March 10.
- Baby makes three! On March 12, it was revealed that **Grace Gummer** quietly welcomed a son with hubby **Mark Ronson**.
- The royal family’s website has updated the line of succession to reflect the new titles of **Prince Harry** and **Meghan Markle**’s children — who are now known as **Prince Archie** and **Princess Lilibet**.
- Scary good! *Scream VI* raked in $44.5 million in its opening weekend — making it the franchise’s best box-office debut ever.

KEEPING UP WITH US

- On March 7, **Bindi Irwin** revealed that she underwent surgery for endometriosis. "[It] was scary," she confessed, "[but] I'm on the road to recovery."

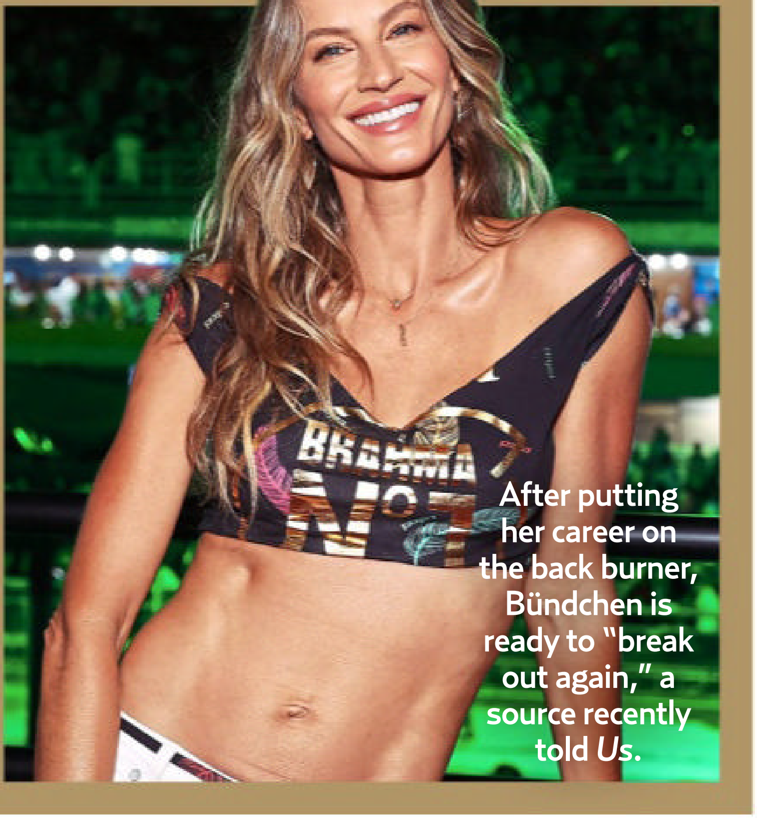
KENDALL & BAD BUNNY

The Secret Is Out!

The guessing game is over: On March 8, **Kendall Jenner** and rumored beau **Bad Bunny** were seen getting cozy following a dinner with friends in West Hollywood. According to a source, the model, 27, and the rapper, 29 — who were first linked in February — have been enjoying getting to know each other. "Kendall and Bad Bunny have several mutual friends, including **Justin Bieber**. They met while hanging out at a club in L.A. and really hit it off," says the source, adding that even though the pair "clicked right away," they opted to keep their budding romance under wraps — until recently. "Kendall tries to keep her relationships private at first, but going to restaurants and seemingly kissing him in public means it's at least semiserious," notes the source. "Kendall doesn't like to be seen with people she doesn't think will last."

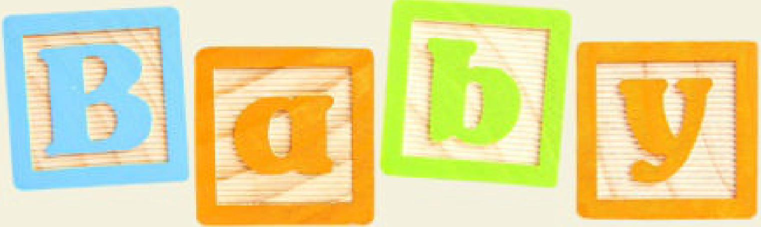
Priority Check

» It's been almost six months since her 13-year marriage to **Tom Brady** came to an end, but **Gisele Bündchen** isn't jumping back into the dating world just yet. "When she was in Brazil [recently,] her friends tried to introduce her to a few men, but it didn't feel right," an insider tells *Us*, adding that the 42-year-old supermodel's head and heart are elsewhere. "She's been focusing on herself, her diet and fitness, her brands and her kids [Benjamin, 13, and Vivian, 10]." Bündchen's also been busy planning an epic getaway for her little ones. Adds the insider, "She wants to spend the summer with the kids in Brazil."



After putting her career on the back burner, Bündchen is ready to "break out again," a source recently told *Us*.

Countdown To



These stars can't wait to meet their little ones!

HILARY SWANK

Carrying twins is no easy feat: The Oscar winner, 48, is "staying healthy, but it's been physically demanding," says a source, noting that Swank's husband, **Philip Schneider**, hasn't left her side. "They have everything set up and some ideas for baby names. She's determined to enjoy the experience."

RIHANNA

Prepping for baby No. 2 is totally different for Rihanna. "She's much more relaxed since she knows what to expect," a source says of the singer, 35, who welcomed a son with boyfriend **A$AP Rocky** last May. "She's also craving sweets this time — eating lots of cake and cookies!"

CLAIRE DANES

She admitted this pregnancy was "a surprise," but Danes has no jitters about becoming a mom of three. "Her family's more nervous than she is!" an insider says of the star, 43, who shares sons Cyrus, 10, and Rowan, 4, with hubby **Hugh Dancy**. "Claire's trying to enjoy this pregnancy, knowing it's likely her last — and she feels great."

KALEY CUOCO

Though she's loved being pregnant, "these last few weeks have been tough. Kaley's tired and hoping her little one arrives soon," says an insider, adding that Cuoco, 37, and beau **Tom Pelphrey** are "very prepared" for their daughter's arrival and have all the latest baby gadgets. "Kaley's nesting right now."

TROUBLE FOR TIGER

Tiger Woods is making headlines again — this time over sordid accusations from his ex-girlfriend. Will she tell all?

BY JAIME HARKIN

When Tiger Woods and girlfriend Erica Herman quietly split after five years in October 2022, barely a ripple was felt. Fans weren't even aware the golf pro was back on the market. Then, in early March, all hell broke loose. Newly discovered court documents revealed that not only had Woods and Herman broken up months earlier, but Herman, a former restaurant manager, had filed a lawsuit in December claiming Woods owes her $30 million because he kicked her out of his Florida home and violated an "oral agreement" they'd made.

That wasn't all. On March 6, Herman filed an additional lawsuit asking to be removed from the nondisclosure agreement she'd signed at the beginning of their romance in 2017, citing a law that allows NDAs to be nullified in cases of sexual assault. "At first, Erica stayed quiet about their split because of the NDA," shares one source. "Her decision to take legal action is clearly a money grab." A second source adds Woods, 47, "is extremely worried" about Herman's actions. "Tiger has worked way too hard to have his life come crashing down again," says the source. "He's convinced Erica wants to humiliate and embarrass him. He says she's out for revenge."

WHAT WENT WRONG

While Herman often accompanied Woods on his golf outings, their relationship was relatively private. "They started strong," says a third source. "Tiger really calmed down after the two of them got together, and he was living a healthier and more low-key lifestyle." The athlete — who's had his fair share of ups and downs personally and professionally — is dad to daughter Sam, 15, and son Charlie, 14, with ex-wife Elin Nordegren.

The first source says Woods and Herman "fought a lot" over the years. "Things were very passionate between them," notes the source. "They broke up and got back together several times." According to the source, Woods had been trying to break free for a while. "He wanted out, but she refused to go."

In her December lawsuit against

"He ended it with Erica because he started seeing some red flags," a source says of Woods.

Woods' trust, Jupiter Island Irrevocable Homestead Trust, Herman claimed those working on behalf of Woods' trust used "trickery" to get her out of his home, telling her to pack a suitcase for a quick vacation, then informing her at the airport that she would not be allowed to return to the residence. (She said Woods paid for a "hotel room and certain expenses for a short period of time" upon giving her the boot.) "His team had to lock her out," says the first source, adding, "there was no other way to separate."

ANOTHER EX SPEAKS OUT

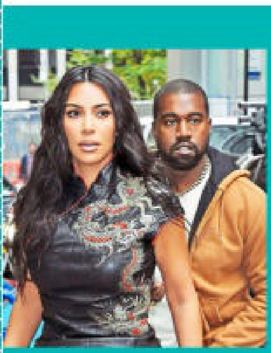
It's the latest in a long line of scandals for Woods. "He feels sad and depressed, and like he's been taken advantage of," says the first source. In her March lawsuit, Herman states her NDA should be declared unenforceable under the federal Speak Out Act, which prohibits the enforceability of an NDA agreed to before a dispute arises involving sexual assault or sexual harassment — but she hasn't made any specific claims. "Tiger says he's never verbally or physically abused Erica," says the second source. "It may not have been the most tender breakup, but he had to protect himself, and now he's glad that he did."

In an exclusive interview, Woods' ex Rachel Uchitel tells *Us* Herman's NDA case against Woods "sounds familiar." After their 2009 affair, Uchitel — who is gearing up to launch a new podcast called *Miss Understood With Rachel Uchitel* — signed an NDA promising her silence on Woods

A source says Woods (with Sam, Herman and Charlie) "is a great dad" to his kids, adding that he's on "excellent" terms with their mom, Nordegren.

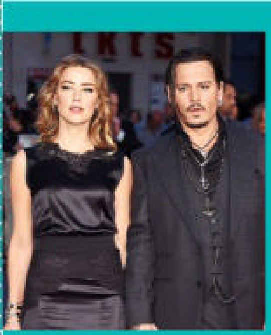
MESSY HOLLYWOOD SPLITS

These former couples battled things out in the public eye



KIM KARDASHIAN & KANYE WEST

Following their 2022 split, West threatened Kardashian's then-beau, Pete Davidson, and attacked her over daughter North's TikTok posts. "Kanye's obsession with trying to control and manipulate our situation so negatively and publicly is only causing further pain for all," she said.



AMBER HEARD & JOHNNY DEPP

During their ugly 2022 defamation case, the exes accused each other of abuse, and Depp insisted Heard ruined his career after she wrote an op-ed referring to herself as a victim of domestic violence.

ANGELINA JOLIE & BRAD PITT

It's been more than six years since they called it quits, but the former golden couple is still slinging it out in court over custody of their young kids and Jolie's sale of her stake in their French winery.

JASON SUDEIKIS & OLIVIA WILDE

In October, a former nanny shared shocking details of the stars' breakup, claiming Sudeikis was so distraught Wilde had left him for Harry Styles that he once laid down in front of his former fiancée's car to prevent her from seeing the pop star.

HIS HIGHS & LOWS

AUGUST 1995

Woods took home his second United States Amateur trophy in 1995, followed by his first Masters Tournament in 1997. (He went on to win four more and three PGA Tournaments.)

NOVEMBER 2009

The athlete's marriage to Nordegren imploded in late 2009 as affairs with Rachel Uchitel (above), cocktail waitress Jaimee Grubbs and restaurant manager Mindy Lawton were exposed.

Herman claims she's been unfairly kicked out of Woods' $48 million Florida mansion.

in exchange for $8 million. "I fought this on my own for over a decade," she says, noting that her "circumstances" were different. "There is a big difference between an NDA signed at the commencement of a relationship for parties to agree not to share confidential information and then the signing of an NDA to cover up bad behavior. The latter can ruin your life."

BATTLE BREWING

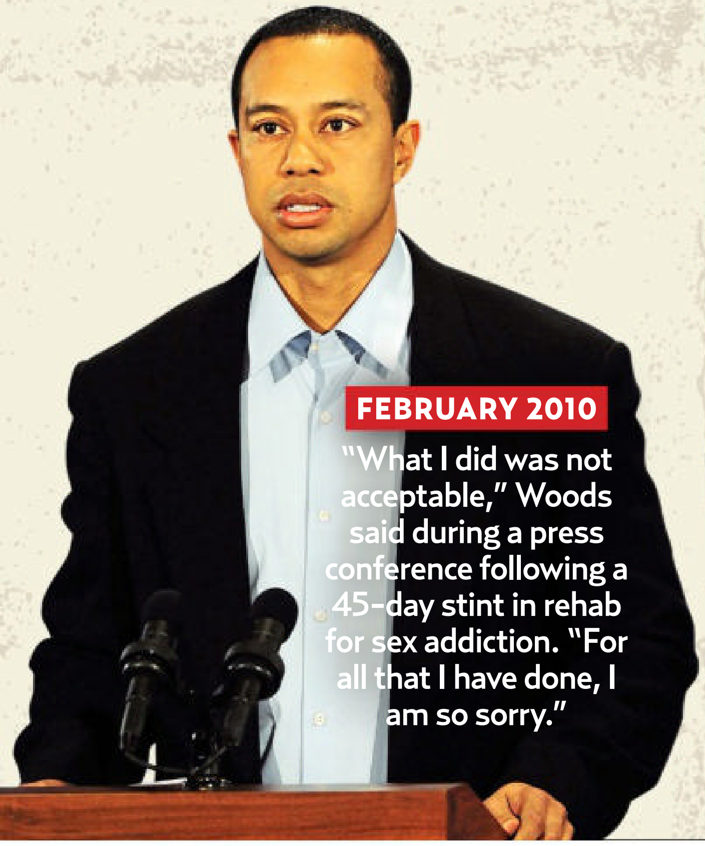
Some sources say Woods' legal team is feeling confident about their chances. "Tiger and his team believe Erica is digging her own grave with these frivolous lawsuits," states the first source. Meanwhile, the third source explains Herman feels she's entitled to something, especially after caring for Woods following his February 2021 car crash, during which his vehicle flipped over several times on a California highway. "She helped him physically and spiritually," shares the source. "She doesn't want this to go to trial because it could lead her to exposing some uncomfortable stories about Tiger; she would rather settle."

A fourth source says Woods will likely refuse to pay up: "Tiger is not going to pay Erica for her silence. He kept her around to look wholesome, but he dismisses everyone. Once he's done with you, he's done with you."

WHAT'S NEXT

Woods is trying to keep his head down for now. "Tiger hasn't been a saint, but he's made an effort to be accountable," says the second source. "He's gone to therapy and made amends with Elin and his kids and his mother. He just wants to concentrate on his family, his health and golf," adds the source. "He's trying to get back to basics."

Woods has navigated several bumps during his time in the spotlight



FEBRUARY 2010

"What I did was not acceptable," Woods said during a press conference following a 45-day stint in rehab for sex addiction. "For all that I have done, I am so sorry."

MAY 2017

After his arrest for driving under the influence, a toxicology report showed the athlete had five drugs in his system, including painkillers and sleep drugs, as well as an active ingredient in marijuana.

MARCH 2022

"I feel so honored," Woods said on social media of being inducted into the Golf Hall of Fame alongside his kids and mom. "[Having] my family there watching, it made it even that more special."

Spring into ACTION!

As the weather warms up, it's a great time to kick your fitness routine into high gear. *Us* reveals celebs' secrets to looking and feeling their best

BY JAIME HARKIN

NICOLE SCHERZINGER

"Staying active keeps my mind happy," Scherzinger tells *Us*. For the super-fit star, that means working out three days a week, doing HIIT-style sweat sessions in the mornings before breakfast. "Nicole likes to focus on smaller muscle groups to stay toned," says a source, noting that it's quality over quantity for the *Masked Singer* host, 44. "She doesn't work out as hard as many people would think, only for 30 to 40 minutes at a time, [and] she likes to switch things up with Pilates or light weights." As for her diet, the source tells *Us* Scherzinger tries to keep her carbs intake low and does her best to avoid sugary foods during the week. But "on the weekends," adds the source, "she lets herself indulge!"

GABRIELLE UNION

Union loves a quickie workout. "She usually does 20 to 30 minutes, doing mostly lunges and medicine ball and barbell work," shares an insider of the actress, who turned 50 last fall. She also keeps a resistance band with her whenever she travels and runs on the treadmill "several times a week," says the insider, adding, "Gabrielle loves working out her body, but her main focus is her inner health."

ZOE SALDAÑA

Even if she's crunched for time, the busy *Avatar* actress and mom of three makes sure to get some movement in. "I do 20-minute intervals either at the gym or at home," the star, 44, shared, explaining that her routine consists of running in place for 30 seconds, squats and then "[carrying] a heavy medicine ball a few times in a row until I get my heart rate up."

JESSICA BIEL

Fitness is a lifestyle for Biel, who works out four times a week, alternating between yoga and strength training, and often hits the gym with pals or husband Justin Timberlake. In addition, the actress, 41, keeps herself fueled with clean meals, like veggie burgers and salmon with rice and veggies. "I feel better when I don't have gluten, wheat or dairy," Biel's said. "My digestion is better, I feel better, I have more energy."

DUA LIPA

"I try and work out as much as I can," the Grammy winner has said. Lipa, 27, switches things up between 15-minute HIIT sessions, boxing, yoga, Pilates and spinning, and always pays some extra attention to those killer abs. "Planks are good," she noted of her go-to core move, "although almost certainly my least favorite!"

ELSA PATAKY

Pataky stays extremely active surfing and boxing with her husband, Chris Hemsworth. When she's not working up a sweat, the Spanish actress, 46, sticks to a Mediterranean meal plan, which centers around plant-based foods and healthy fats like olive oil. "I don't believe anything about diets, like quick diets that you do before summer," she's said. "Those miracles don't exist."

HALLE BERRY

"Halle is very dedicated to her health and fitness," says a source of the Oscar winner. Case in point: She eats noninflammatory foods (a typical day starts with a green smoothie, followed by salmon or chicken breast and veggies) and does "lots of kickboxing in her home gym" to stay in fighting shape. "She loves how strong she feels after a workout," adds the source. Berry, 56, has long sung the praises of clean living — and credits the keto diet with helping her manage her diabetes, which she was diagnosed with in her early 20s. Notes the source: "Halle's been working out and choosing the right foods for years."

PINK

Gearing up for her Summer Carnival Tour is no easy feat for the 43-year-old singer, who works out for 90 minutes five to six days a week doing strength training, cardio and martial arts to prep for her gravity-defying aerial stunts. "I'm always trying to top myself because it makes people happy," she said in late February. "When I fly around through the air… it's wonderful. You can't imagine it."

BRIE LARSON

The *Captain Marvel* star does not mess around in the gym. To get into superhero shape, Larson, 33, tackles everything from hip thrusts with 400-pound weights (yes, 400 pounds!) to one-armed pullups and pushups to boxing and dance cardio sessions. "Getting stronger is a process I'm committed to showing up for everyday," she declared via Instagram. It shows!

VANESSA HUDGENS

"When I listen to my body, that's when I'm happiest," Hudgens has said of her wellness philosophy. The *Tick, Tick... Boom* star revealed she switches back and forth between intermittent fasting (only eating during a specific window of time) and the low-carb keto diet. As for her fitness regimen, Hudgens, 34, noted that she's recently put cardio on the back burner in favor of pumping iron. "I do squats with a rack, and I love to see how much weight I can add," she shared. "That's empowering."

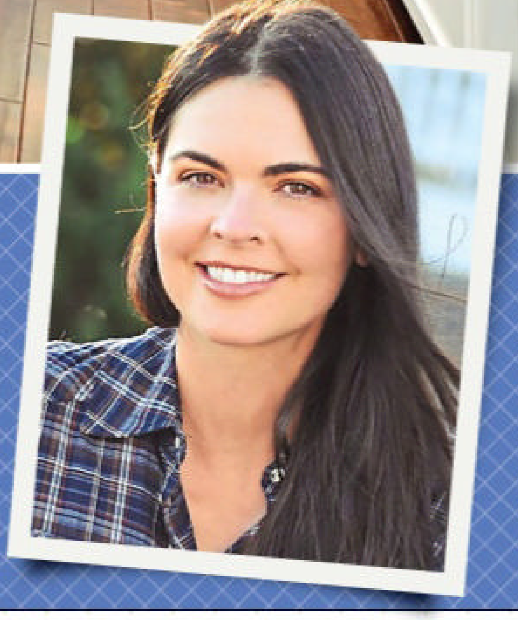
Food Network star **Katie Lee Biegel** shares tips to transform your kitchen into a sanctuary

Smart Splurges

When it comes to your fridge and stove, quality is important. "Investing in durable and dependable appliances not only adds functionality to my space, but helps promote more wellness in my life," **Katie Lee Biegel**, who recently teamed up with the brands Sub-Zero, Wolf and Cove, tells *Us*. "A high-quality refrigerator like my Sub-Zero keeps my groceries fresher for longer and my Wolf range helps me create my favorite meals with consistent results."

Neat & Tidy

After cooking a meal, washing a sink full of dishes is the last thing anyone wants to do. But Biegel has a simple solution: "To keep messes manageable, I make a habit of cleaning as I go," she says. "Cleaning up in small doses… helps me keep the clutter at bay and stay sane."



Let There Be Light

"The lighting can make such a huge difference," says the *Kitchen* cohost, noting that adding a bit of natural or soft, ambient light creates an inviting atmosphere. "Whether you choose to make big or small changes, you can easily achieve this by updating your window treatments, swapping out your existing light fixtures, or even adding a statement lamp to your space."

Introducing You

Your kitchen shouldn't be cold and sterile. "Instantly refresh the look and feel by adding small personal touches, whether it's an indoor herb garden or even decorative bowls that serve as functional display pieces," suggests Biegel. "Incorporating your personality into your space makes it feel more like home and, overall, a more enjoyable place to be."

It's All Relative

Casper Van Dien talks to *Us* about his latest project, *Daughter*

In *Daughter* (available now on-demand and digital), **Casper Van Dien** plays Father, the patriarch of a twisted family that kidnaps and inducts a young woman as their surrogate daughter. Things only get weirder from there. Here, the star opens up about the thriller.

Q: What can you tell *Us* about *Daughter*?

It's an incredibly intelligent script. This was a very intricate piece that was dark and mysterious. There are some things that are left to interpretation, and there are some that are outright, like, "Oh my God, I didn't see that coming, and I don't know if I wanted to."

Q: How would you describe your character, Father?

He's willing to do anything he can to save his son, and that could be at the expense of some of the others in his family. He's indoctrinating them into his belief system, and if everybody goes along with what he's saying, [like] how the world is run, then everybody will be safe, and he's doing what is right.

Q: How do you relate to him?

I love my children more than anything and I would do anything I could for them, but I could never really hurt anybody. I couldn't do what he does.

Q: What's next for you?

I have a few films out now: *Mad Heidi*, *County Line: No Fear*, *Heart of a Champion* and *Battle for Saipan*. I also have *Monsters of California* coming out soon. Blink-182's **Tom DeLonge** directed musically, which was amazing. I'm very excited about that film too.

"It's definitely a thinking piece," the *Starship Troopers* star says of the film.

Facing The Music

Josh Whitehouse dishes on *Daisy Jones & The Six*

Based on **Taylor Jenkins Reid**'s bestselling 2019 novel, *Daisy Jones & The Six* (Prime Video) follows the rise and fall of an iconic '70s band. **Josh Whitehouse** talks to *Us* about portraying bassist Eddie Roundtree in the musical drama.

Q: What was the most challenging aspect you faced as a cast in band rehearsals?

Trying to make this show during the pandemic. Also, bringing justice to the music [producer] **Blake Mills** wrote and created with his various incredible cowriters — really learning it note for note, and managing to bring that to the screen.

Q: Eddie and Billy butt heads a lot. What was it like working with Sam Claflin in that dynamic?

Sam's one of the loveliest guys I've ever met. We were all good friends by that point, and having the opportunity to play these characters was a wonderful collaboration. It was really fun digging into why they clash and trying to figure out what Eddie's gripe is.

Q: How will fans react to Eddie and Camila getting together?

I don't know, it depends whose side they're on. It was a bit of a sad thing, really, because she doesn't stay with him and he wanted her so much his whole life.

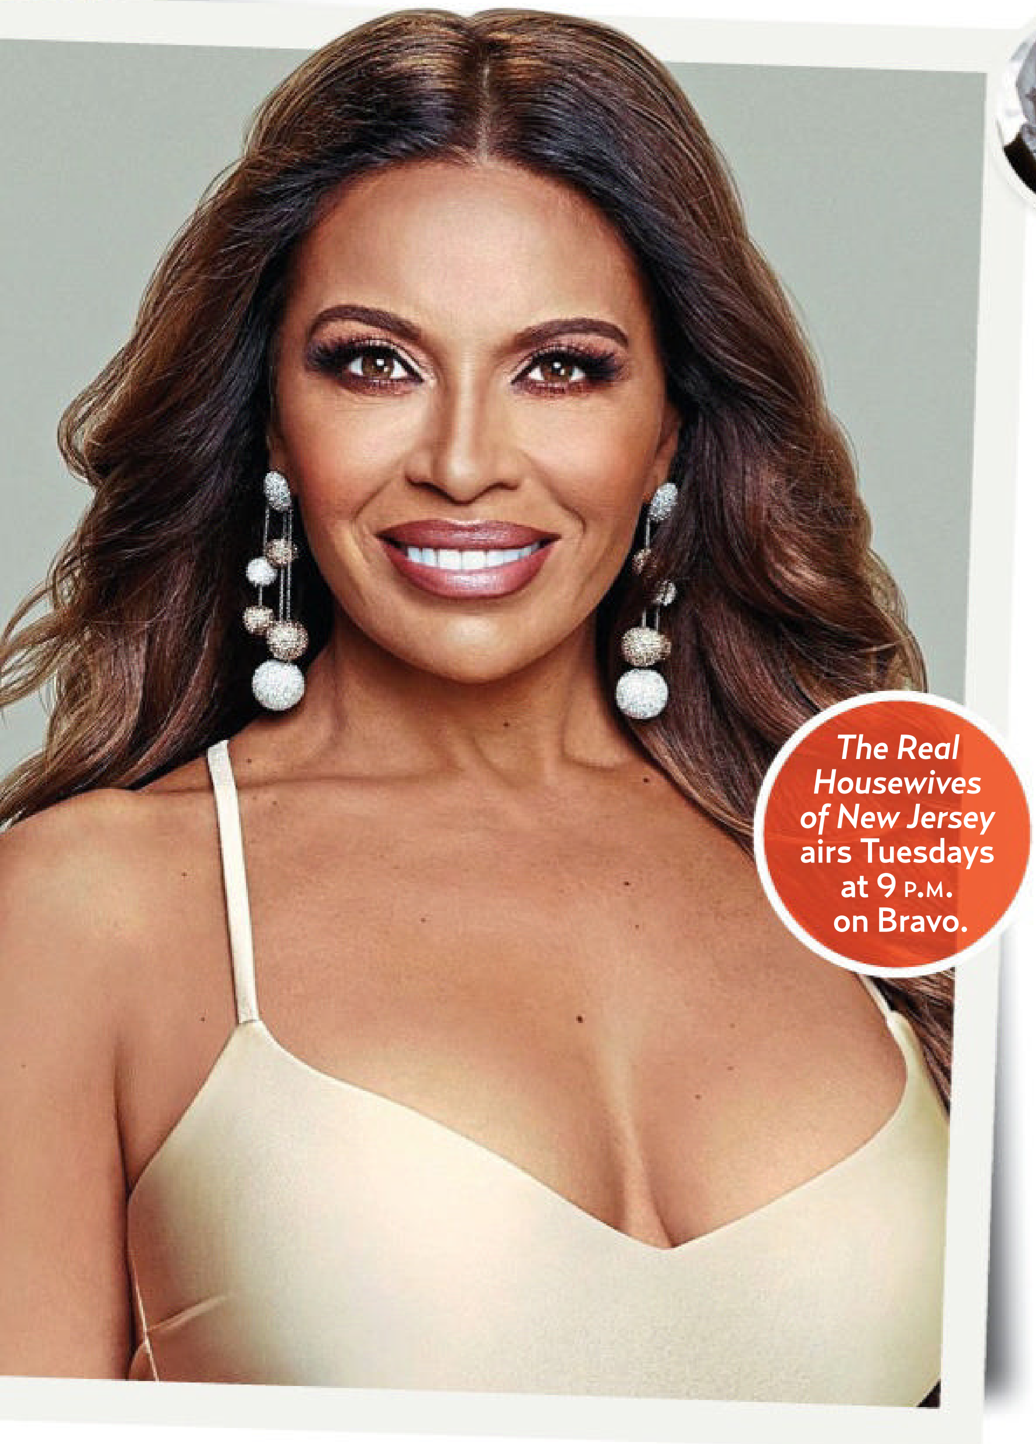
25 THINGS YOU DON'T KNOW ABOUT ME

BY Dolores Catania

The Jersey girl (and fan favorite!) keeps it real with some personal facts for *Us*



The Real Housewives of New Jersey airs Tuesdays at 9 P.M. on Bravo.

1. I always wanted to go to Ireland, and I've been there three times this year.

2. Now I'd like to visit the Maldives. The water looks so blue and beautiful. Give me sun and a beach, and I'm good.
3. My favorite *RHONJ* memory was last year's Maimonides softball game. We all came together to do something for charity [by] playing against doctors, who were having a good time amid Covid.
4. My first car was a broken-down 1980 Mustang. It had no heat and no radio, and I learned to drive with the radio off. I don't use a radio now.

5. Growing up, I looked up to **Mother Teresa** and **Princess Diana.**

6. I never get starstruck. I always look at everybody like they are just the same [as me].
7. My No. 1 beauty trick is the Skin Guru, a.k.a. Kristen Hanenian.
8. My Commando leather pants are my favorite item in my wardrobe.
9. I haven't had an embarrassing moment on *RHONJ* yet, but it's probably going to happen this year. I'm so corny with [boyfriend] **Paul Connell**.
10. My favorite job was being a sheriff's officer. It was never the same thing every day.
11. I don't play sports, but I'm athletic. I'm in my 50s, but if you hand me a bat and ball or a football, I'm going to play.
12. On a typical Sunday, I'm in my sweatpants looking for my kids because that's the only day they both have off. You could find me in [son] **Frankie**'s room watching the football games with him, [daughter] **Gabby** and five dogs.
13. Right now, I'm very into *The Real Housewives of Miami*.
14. A misconception about me is [men I've dated] thought I was a girly girl. I'm a tomboy.
15. My favorite movie is *The Silence of the Lambs* because, at heart, I'm a cop. I love how Hannibal Lecter breaks down people's minds and how he's able to read them.
16. "I Will Survive" is my go-to karaoke song.

17. My typical delivery food order is a salad.

18. My Wendy's order is a No. 1, no onions, cheese, medium [with a] Diet Coke.
19. What I love about New Jersey is that it's home. I could be anywhere in New Jersey and know someone that knows somebody.
20. I read **Tyler Perry**'s *Don't Make a Black Woman Take Off Her Earrings* when my kids were little, and it made me change how I raised them.
21. My goal for this year is to physically be my best self and to get into a routine that's not just a fad diet.
22. I am intuitive and can read people pretty well.

23. I've never been so obsessed with a show as I am with *The Blacklist*. Raymond Reddington is the man of the year.

24. My good luck charm is a little wooden cross from Israel.
25. Secretly, I wish I was a ballroom dancer.
